

HELYON TOKEN

ROADMAP 2026

STRATEGIC DEVELOPMENT &
ECOSYSTEM EXPANSION PLAN

EXECUTIVE SUMMARY

Helyon Token is a next-generation digital asset built on Solana, designed to deliver speed, security, transparency, and long-term ecosystem scalability. The project focuses on sustainable token economics, community-driven growth, and a clear expansion roadmap that evolves from token launch to its own ecosystem infrastructure.

This roadmap outlines Helyon's strategic development between Q1 2026 and Q4 2026, covering core milestones such as presale execution, token launch, liquidity management, staking integration, ecosystem tools, and early work on the Helyonverse framework.

Key Highlights

- Strategic Vision: Build a secure, transparent, and scalable Solana-based ecosystem.
- Utility Framework: Staking, Energy Credit (EC) concept, and future Helyonverse integrations.
- Community Expansion: Structured growth initiatives and global awareness campaigns.
- Launch Execution: Pre-Sale, Public Sale, TGE unlock mechanics, and DEX listing.
- Security & Compliance: Mini audit reports, liquidity locks, and transparent documentation.
- Forward Roadmap: Clear timeline from launch phase (Q1 2026) to ecosystem expansion (Q4 2026).

Helyon is not just a token – it is the foundation of a long-term scalable financial ecosystem.

Q1 2026—TOKEN LAUNCH & MARKET ENTRY PHASE

Q1 2026 — TOKEN LAUNCH & MARKET ENTRY

1. Pre-Sale

- Launch of the Pre-Sale round (Q1 2026)
- Community allocation distribution
- Vesting & unlock schedule initialized at TGE

2. Public Sale

- Public Sale offering across eligible users
- Completion of token distribution
- Finalization of TGE preparations

3. Audit Agreement with a Corporate Firm

- Partnership initiation with major audit providers (e.g., CertiK, SolidProof)
- Start of smart contract & platform security audit procedures

4. Listings

- DEX Listing on Solana-based decentralized exchanges (Radium, Jupiter)
- CEX Listing applications (subject to sufficient funding and approval processes)

5. Marketing & Promotion

- Targeted advertising campaigns to accelerate global awareness
- Structured social media growth strategy (Twitter/X, Telegram, YouTube)
- Community engagement initiatives, AMAs, giveaways, and events

6. Strategic Partnerships

- Establishing cooperation agreements with ecosystem partners
- Integrations with supporting Web3 tools and Solana-native services

→ THIS QUARTER MARKS HELYON'S OFFICIAL LAUNCH, MARKET ENTRY, AND THE STRENGTHENING OF TRUST AND VISIBILITY.

Q2 2026—PLATFORM EXPANSION & ECOSYSTEM GROWTH

Q2 2026 – PLATFORM EXPANSION & ECOSYSTEM GROWTH

1. Website Update / Platform Refresh
 - Full UI/UX improvements for enhanced clarity and user trust
 - Updated information architecture for better navigation
 - Expanded investor and community sections
2. Helyon Finance Platform Setup
 - Staking Module – initial release for HEL stakers
 - Farming Module – liquidity-based reward mechanisms
3. Team Expansion
 - Growth in technical development team
 - Community and marketing department expansion
 - Establishment of new operational roles
4. Marketing & Promotion
 - Global visibility and branding campaigns
 - Collaborations with influencers, KOLs, research pages, and media outlets
5. Listing Expansion
 - Additional DEX integrations to increase liquidity and accessibility
 - Submission of applications to mid-tier CEX platforms
6. Partnership Development
 - Formalizing ecosystem partnerships
 - Expanding integrations with external third-party tools, platforms, and services

→ THIS QUARTER TRANSFORMS HELYON FROM A NEWLY LAUNCHED TOKEN INTO A FUNCTIONING FINANCIAL PLATFORM.

Q3 2026 – TECHNOLOGY DELIVERY & EC SYSTEM DEPLOYMENT

Q3 2026 – TECHNOLOGY DELIVERY & EC SYSTEM INTEGRATION

1. Mobile Application Testing
 - Closed beta testing for the mobile app
 - Performance, usability, and security assessments
2. Mobile App – Helyon Finance Integration
 - Wallet & account features
 - Integrated staking dashboard
 - Real-time analytics, profit tracking, and portfolio tools
3. Energy Credit (EC) System Integration
 - Implementation of Helyon Energy Credit reward mechanics
 - Utility-based user incentives within the ecosystem
 - EC-based reward cycles and gamified mechanisms
4. Launchpad Development
 - Infrastructure setup for Helyon Launchpad
 - Early onboarding and evaluation of partner projects
5. Helyon Sidechain Testing
 - Architecture validation and module testing
 - Testnet deployment of Helyon sidechain
 - Developer sandbox for early experimentation

→ THIS QUARTER EXPANDS THE HELYON ECOSYSTEM TECHNOLOGICALLY AND INTRODUCES ADVANCED PRODUCT LAYERS.

Q4 2026

ROADMAP UPDATE & STRATEGIC PLANNING

Q4 2026 – ROADMAP UPDATE & STRATEGIC PLANNING

➡ ROADMAP REVIEW & EVALUATION

- Assessment of progress across Q1-Q3 2026 milestones
- Evaluation of launch success, platform usage, and ecosystem metrics

➡ NEXT ROADMAP RELEASE

- Development and publication of the updated roadmap for the next cycle
- New targets in:
 - Technology innovation
 - Platform utility expansion
 - Ecosystem partnerships
 - Web3 integrations

→ THIS QUARTER CONSOLIDATES ACHIEVEMENTS AND DEFINES THE NEXT PHASE OF HELYON'S LONG-TERM JOURNEY.

A STRONG FUTURE BEGINS HERE

THE FUTURE OF HELYON BEGINS NOW

A secure, transparent, and scalable ecosystem built for long-term growth.

Helyon is more than a token — it is the foundation of a new financial ecosystem powered by speed, efficiency, and innovation. Every milestone in this roadmap reflects our commitment to delivering real value, expanding our utility, and building a sustainable Web3 infrastructure for the future.

With continued community support, strategic partnerships, and an expanding ecosystem, Helyon is positioned to become a leading force within the Solana landscape and beyond.

- Transparency
Open communication, clear documentation, and honest reporting.
- Security
Audited smart contracts, ecosystem protection, and responsible development.
- Innovation
Cutting-edge technology, scalable architecture, and evolving utility.

Join us as we build the next generation of decentralized finance.
The journey has just begun.

THANK YOU
